ILHAM JAVID

UNDERGRADUATE STUDENT (BICT HONOURS)

ABOUT ME

I am an undergraduate of BICT Honours focused on Software Engineering Technology at the University of Sri Jayewardenepura who is keen to learn about the latest technologies, and I gain the most satisfaction by utilizing that knowledge to solve real world problems. I am flexible, reliable, and possess excellent time keeping skills. I am an enthusiastic, self motivated, reliable, responsible, and hard working person. I have good knowledge of software development concepts and also passionate about mobile application development and graphic design. I am a mature team worker and adaptable to all challenging situations. I am able to work well both in a team environment as well as on my own initiative.
